DECLARATION OF MARK G. HANLEY

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

I, Mark G. Hanley, hereby declare and state:

- 1) I am the practitioner responsible for preparing and prosecuting the above-referenced patent application.
- 2) On June 17, 2005, my docketing clerk advised me of the receipt of a notice of abandonment in the above-captioned application. My docketing clerk searched the file jacket for this application and our electronic docket system to determine if an Office action had been received in this application and determined that the Office action allegedly mailed on November 17, 2004 had not been received.
- 3) As shown in the attached docket record (Exhibit A), no Office action has been received in connection with this application. Had the Office action of

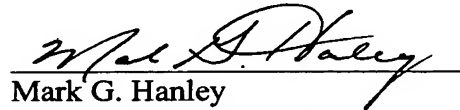

November 17, 2004 been received in our offices, it would have been noted in the docket record (Exhibit A), and the reminder to inquire as to the status of the application would have been filled-in as unnecessary. However, the Office action of November 17, 2004 was never received and, accordingly, the docket record does not reflect receipt of the Office action.

5) I understand that willful false statements and the like are punishable by fine and/or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that any such willful false statement may jeopardize the validity of this application and any patent resulting therefrom. All statements made herein are believed to be true.

Respectfully submitted,

HANLEY, FLIGHT & ZIMMERMAN, LLC.
